### **Discipleship Begins Soon!**

As we approach January, be mindful of Christian discipleship. After a long pause in "Design for Discipleship," we will continue the disciple training work in January. Those in the group have been contacted and all of you can go through this foundational study as well. If you are interested in growing closer and following Jesus Christ more sincerely, contact me, Bro Earl. As we establish a church discipleship ministry I pray we will all take part and become true followers and learners of Christ.

### **Can you help!**

We are establishing a ministry to all our students away from home, in college or graduated from school, in the military and just getting started in their jobs and careers. To reach out to them we need help in getting the names, phone numbers, email and mailing addresses of each. If you know of someone, use the Guest Registration Card to give us their information. You can also call the church office or call me, 843-877-5722. Bro Earl
