FROM PASTOR DAVE

I speak often about our responsibility to share Jesus with others. I have learned that many are both uncomfortable and unsure in doing this. That is one reason I am preaching through the Gospel of John currently. I want to *equip you to do the work of the ministry* – Ephesians 4:12

Corn grows vibrantly across the road from my house. I have watched it grow to a height of over 8 feet tall. Saturday afternoon we watched as 2 huge John Deere corn harvesters drove through the fields reaping the fruit of their labor.

I was reminded of **1 Cor. 15:58** - *Therefore, my beloved brethren, be steadfast, immovable, always abounding in the work of the Lord, knowing that your labor is not in vain in the Lord.* My question is simple – what fruit are you harvesting in your life? I ask you to consider planting the Gospel of Jesus Christ by first preparing the soil, then by watering it and finally by harvesting it. Jesus said in Matthew 9:37-38 *The harvest truly is plentiful, but the laborers are few.* ³⁸ *Therefore pray the Lord of the harvest to send out laborers into His harvest.* I will add that a storm blew in as they had about half of the field cut. Rain poured and I was immediately grateful. I have never experienced corn allergies before this summer and that rain was right on time. God is always good and I pray that you receive His blessings in your life.
