FROM PASTOR DAVE

Psalm 119:90 declares, *Your faithfulness endures to all generations; You established the earth, and it abides.*

I think it would be safe to say that we all go through things we don't understand, things that are just not fair. We may be dealing with an illness, had a rough childhood, the loss of a loved one, or a relationship that didn't work out. There are things that just happen to us in life that cause us to wonder and ask the question . . . why does God allow bad things to happen to good people. There are seasons when we're not making any progress, seasons we're feeling like we're going nowhere, seasons in which everything ends up just being routine. Sometimes we make mistakes and bring the heartache and pain on ourselves.

When those seasons come around, it's easy to get discouraged and lose our passion for life. But the beauty of our God is that He doesn't waste the pain, the struggle, or the failures we're experiencing. God knows how to bring good out of bad situations. Everything that you've been through is only preparing you for where God is taking you. **Jeremiah 29:11**, *For I know the plans I have for you," says the Lord, "Plans for good and not evil, plans to prosper you and not harm you, plans to give you a future and a hope.*
